

Talented Family

My family's very talented,
I'm sure you'll agree.
We each have a special skill
That anyone can see.

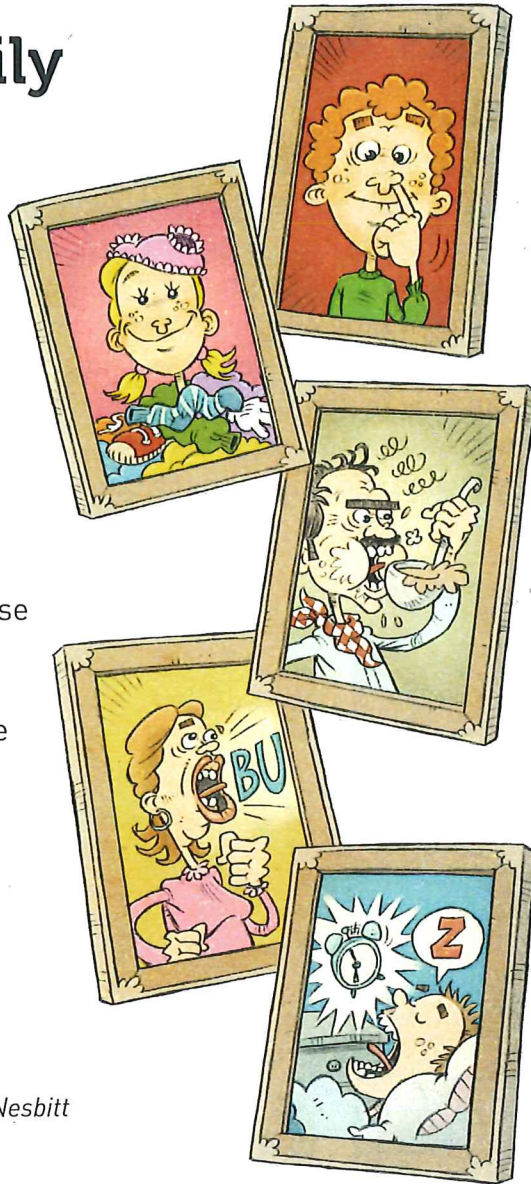

My brother's good at burying
his finger up his nose.
My sister's good at covering
her room with dirty clothes.

My father's good at eating soup
in big, disgusting slurps.
My mother's good at cutting loose
with very noisy burps.

Myself, I'm good at sleeping late
and making lots of noise
and messing up the living room
with comic books and toys.

So though we're very talented,
I'm sad to say it's true:
We're only good at doing things
we're not supposed to do.
